IN THE MATTER OF THE APPLICATION

APPLICATION TO
INTERVENE

Federal Executive Agencies (FEA), by and through the undersigned attorney,
representing all Federal customers of Arizona Public Service Company, moves to
intervene in the above-captioned matter. This application is based upon the following:

1. Several Federal Executive Agencies purchase electric power from Arizona Public
Service Company for a variety of federal facilities located in the territorial service area of
Arizona Public Service Company. Electric power is a necessary component of providing
services as required by the various federal agencies, and utility costs are paid from
taxpayer monies allocated to the various federal agencies. For these reasons, Federal
Executive Agencies will be directly and substantially affected by the decision in this
proceeding.

2. The Department of Defense has been delegated authority by the U.S. General
Services Administration pursuant to section 205 (d) of the Federal Property and
Administrative Services Act of 1949, as amended (40 U.S.C. 486(d)) to represent
consumer interests of the executive agencies of the Federal Government. The

1 Department of Defense has assigned responsibility for this representation to the Air Force
2 Utility Litigation Team for Arizona Public Service Company's service area.

3 3. Granting FEA intervention will not unduly broaden the issues presented by the
4 Application in this matter, and therefore, FEA is entitled to intervention pursuant to
5 A.A.C. R14-3-105.

6 WHEREFORE, Federal Executive Agencies respectfully requests that it be granted
7 intervention in the above-referenced matter.
